SELFIE Guide for WBL coordinators

Matilde - 2026-05-13 - [Guidance Resources](#)

This document serves as a practical, step-by-step guide for both VET school coordinators and company coordinators on how to use the SELFIE WBL tool to support digital transformation in work-based learning.

Topics include registering and setting up exercise, customising questionnaires, activating links, tracking participation, accessing reports, certification, digital badges, and where to find further information on SELFIE .WBL
